Construction project begins on ND Highway 1804 near Hazelton

Construction has begun on ND Highway 1804 from the Hazelton turnoff to 48th Avenue in Bismarck. Work consists of placing a seal coat on the roadway and interchanges within the work zone.

During construction:

- Speeds will be reduced to 55 mph in the work area
- Width restriction of 12 feet will be in place in the work area
- Flaggers and pilot cars will be present in the work area
- Loose gravel may be present on the roadway
- Motorists may experience delays

This project is expected to be completed by early September.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
